

**Listed Below are examples of the many services and programs we provide to address the ever-growing needs of our communities with your support.**

**Arrhythmia Alliance Education Opportunities**

- Know Your Pulse and Detect, Protect and Correct instruction and demonstration.
- How they work together instruction and function: Chain of Survival, Cardiopulmonary Resuscitation Automated External Defibrillators.
- Take Fainting to Heart Campaign: Education on warning signs for a serious, potentially life-threatening heart condition

**Arrhythmia Alliance Tools:**

- Placement of heart rhythm related and life-saving devices such as Automated External Defibrillators, Mobile ECG and other tools in communities.
- Promote the value and need for cardiac pacing, implantable defibrillators, catheter ablation and other treatments for arrhythmias.
- To secure better care, leading to a better quality of life, for individuals with arrhythmias.

**Arrhythmia Alliance Resources Made Available:**

- Cultivate multi-center and multi-disciplinary research.
- Raising awareness by providing information and materials involved in detecting, diagnosing and managing heart rhythm health.
- To bring together member charities, healthcare professionals, commissioners and their allies to advance the concerns and needs of all our members.
