June 3-9 2019 is Arrhythmia Alliance World Heart Rhythm, an annual awareness week dedicated to raising awareness of arrhythmias and urging people to know their pulse, aiming to detect thousands of unknown heart rhythm disorders.

**KNOW YOUR PULSE**

We are asking as many people, groups and organizations as possible, both locally and nationally, to show their support by sharing a pulse check photograph.

Share via social media and/or submit to us. Don’t forget to tag us and use the hashtags #WHRW2019 #KnowYourPulse
